## High caliber supporting program

Along side the trade fair, we bring you various knowledge-rich supporting program sessions to add more value to your exhibition visit. The program includes sessions in our **Innovation Exchange Forum**, **Active Learning Center** as well as a **Buyer Seller Forum** and **Business-to-government meetings** which will take place during the show days.

**Innovation Exchange Forum**

Designed to deliberate and exchange ideas and highlight solutions for a sustainable Water, Waste & Resource Management in India. The forum features key notes and panel discussions.

**Active Learning Center**

A place to experience and explore innovations by our exhibitors. See products in practice and learn about latest technologies in a face-to-face discussion with the presenters.

**Business-to-Government (B2G)**

A unique platform where business professionals come together and have face to face meetings with government officials to deliberate on policy, regulatory and related subjects.

**Buyer Seller Forum**

Make every minute at the exhibition count! Our exhibitors and visitors get a chance to pre-schedule the meetings with our easy and fast system. Meet on site to broaden your network and enhance your business opportunities.
