About us

NanoBiotech@DBT is a platform initiated by the Department of Biotechnology (DBT), Ministry of Science and Technology, Govt. of India and being taken forward by TDNBC under support and mentorship from DBT. This initiative aims to bring together the academicians, researchers, industries and other stakeholders on a single platform to address important and critical scientific and technical challenges through translational research in the areas of nano-biotechnology. The focus will be to bring innovative research through knowledge, facility and infrastructure sharing, to facilitate constructive dialogue with domain experts on analysis and development of novel ideas,

and to develop and execute strategy-driven research through interaction among professionals in the public and private sectors from across the country to deliver impactful results and turn them into action. The end result will be the one that will educate, inspire, and enrich the scientific community to bring effective solutions to the relevant scientific and technological challenges through collective brainstorming.

Purpose

Gather stakeholders for fruitful discussion on technology in agriculture

Provide platform for agristartups to showcase innovation

Build new strategies for partnerships in Agri innovations

Connect industries & Researchers for application of technologies

Benefits

Showcase Products

Funding Opportunities

Find Collaborators

Explore Technologies

Connect to Industry

Meet Policy Makers

Agenda

6:00pm to 6:05pm

Welcome by Dr Alok Adholeya, Director, TERI-Deakin Nanobiotechnology Centre.

6:05pm to 6.15pm

Inaugural Address by Dr Suchita Ninawe*, Advisor, Department of Biotechnology, Govt. of India.

6.15pm to 6.25pm

Guest of Honor Address by Mr Lal Sanglur, Economic Advisor, Ministry of Chemicals and Fertilisers.

6.25pm to 6.35pm

Special Remarks by Mr Dr R. Selvasundaram, Regional Technology Director, Agrinos India Pvt Ltd., New Delhi.

6:35pm to 7:35pm

Interaction with Nanobiocommunity Representatives.

7:35pm to 7:40pm

Vote of Thanks by Dr Reena Singh, Area Convener, TERI.

7:40pm to 10:00pm

Exhibit on new products in agriculture and Networking Dinner.

Chairperson: Dr. Alok Adholeya

Coordinators: Dr. Reena Singh reenas@teri.res.in
(+91) 7838120198

Dr. Mukul Dubey m.dubey@teri.res.in
(+91) 7433819781

Venue: TERI-Deakin Nanobiotechnology Centre,
TERI Gram, The Energy and Resources Institute,
Gwal Pahari, Gurugram Faridabad Road, Gurugram, Haryana 122 102, India.
